1. IEEE Women In Engineering (WIE) Affinity Group of Sabaragamuwa University of Sri Lanka

IEEE Women In Engineering (WIE) is a global network of dedicated IEEE volunteers and members. Our mission is to inspire young girls worldwide to pursue their academic interests in Science and Engineering, while also providing support and encouragement for women engineers and scientists. We are committed to fostering women's enrollment and career progression in technical fields globally. Our vision is to cultivate a thriving community within IEEE, where both men and women come together to harness their unique skills and talents for the betterment of humanity. By enhancing their attitudes, developing soft skills to surmount societal obstacles, and deepening their knowledge in STEM (Science, Technology, Engineering, and Mathematics) education, the IEEE WIE Student Branch Affinity Group at SUSL is dedicated to empowering female students.

of

Mission and Vision

"Facilitating the recruitment and retention of women in technical disciplines globally leading to a vibrant community of IEEE women and men collectively using their diverse talents to innovate for the benefit of humanity."

Aims and Objectives

• Engage in outreach activities to promote STEM (Science, Technical, Engineering and Mathematical skills) education among girls and young women, encouraging their interest in engineering fields.

undergrads

• Develop attitudes and soft skills to overcome social barriers.

• Provide support and mentorship programs for women in the field of engineering, especially for those in the early stages of their careers.

undergrads

• Offer resources and opportunities for professional development, such as training sessions, webinars, and access to relevant industry information and updates.

• Encourage and support women to pursue leadership roles in engineering organizations

• Promote innovations by Highlighting the importance of diverse perspectives in engineering and how they contribute to innovation and problem-solving.

• Collaborate with other organizations, universities, and institutions to amplify the impact and reach career advancement opportunities.

2. QWhiz 1.0

Description ?

Objectives

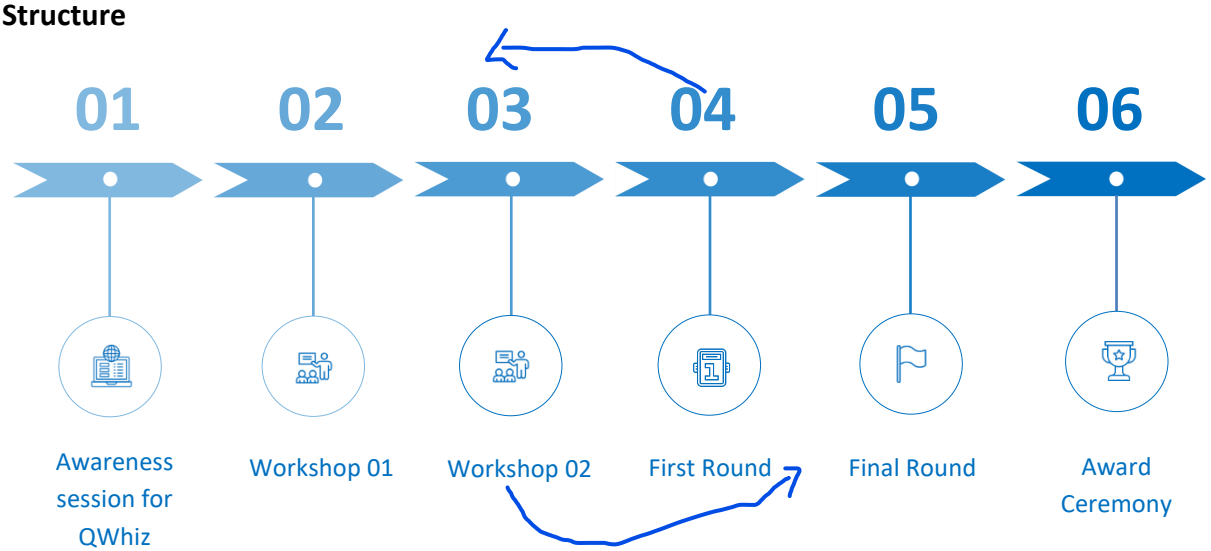
- To promote STEM education and careers among undergraduates.
- To provide a platform for networking and collaboration among students interested in engineering and related fields.
- To inspire young undergraduates to pursue academic excellence and leadership roles in STEM.

to enhance the quick problem-solving skills

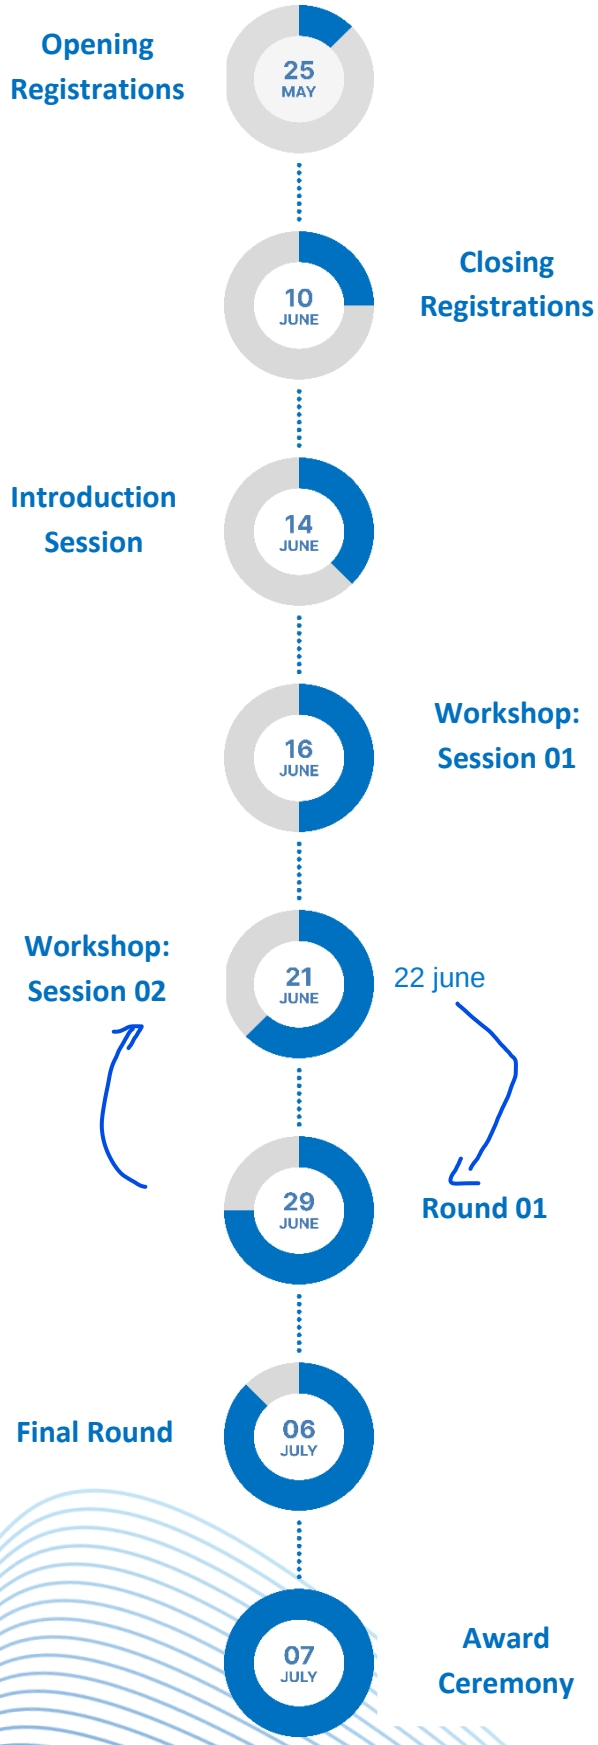
Target Audience

- The Quiz competition is open to male and female students from universities across Sri Lanka interested in STEM fields, particularly engineering and technology.

Structure



3. Timeline



Opening Registrations
25 MAY
10 JUNE
Closing Registrations
Introduction Session
14 JUNE
16 JUNE
Workshop: Session 01
Workshop: Session 02
21 JUNE
22 june
29 JUNE
Round 01
Final Round
06 JULY
07 JULY
Award Ceremony

4. Guidelines

The guidelines for the competition are as follows:

1. Both Female and Male undergraduates of any University or Higher Educational Institute are eligible to participate in this competition.
2. The maximum number of members a team can contain is 3. Contestants are not allowed to compete as individuals.
3. Participants in a team should represent the same University or the Higher Educational Institute.
4. By registering for this contest, you agree to receive results on the complication depending on the effort.
5. The judge's decision will be the final decision.

5. Rules & Regulations

1. Participants must register in advance to participate in the quiz.
2. Online quizzes will be conducted through a specified platform or software.
3. Participants must log in at the specified time to participate.
4. Participants are responsible for ensuring reliable internet access and appropriate devices.
5. Scoring may vary based on the level of difficulty of questions.
6. The quiz will consist of two rounds.
7. Participants must refrain from using any unfair means or assistance during the quiz.
8. Cheating, plagiarism, or any form of unfair practice will result in disqualification.
9. AI-generated tools cannot be used.
10. Must be completed within the given time.

6. Prize Details

1st Place - LKR 10,000

2nd Place - LKR 8,000

3rd Place - LKR 5,000

7. Organizing Committee Details
